

Chappaqua Central School District Proposed Budget 2010 – 2011

Overview

February 23, 2010

Strategic Questions

- How can the District ensure continuing excellence in academic and extracurricular programs while developing a budget that is fiscally responsible?
- How can the District ensure that all students think deeply, support their thinking, apply problem-solving skills, and actively participate in their learning as they acquire content knowledge?

Four Pillars of a School Budget

1. Class size (staffing)
2. Program (course offerings, curriculum, support services, professional development)
3. Infrastructure (buildings and grounds, technology, clerical)
4. Contractual obligations (collective bargaining)

Recent Budget Increases
