

2013-2014 Teaching and Learning Priorities

October 9, 2013

Teaching and Learning Priorities

I. To continue to improve our teaching and learning practices.

Teaching and Learning Priorities

Curriculum

- ✓ Evidence-based/argument writing, K-12
- ✓ Research, problem-solving skills, K-12

Instruction

- ✓ Small group instruction
- ✓ Creative use of time, space, and technology

Teaching and Learning Priorities

Assessment

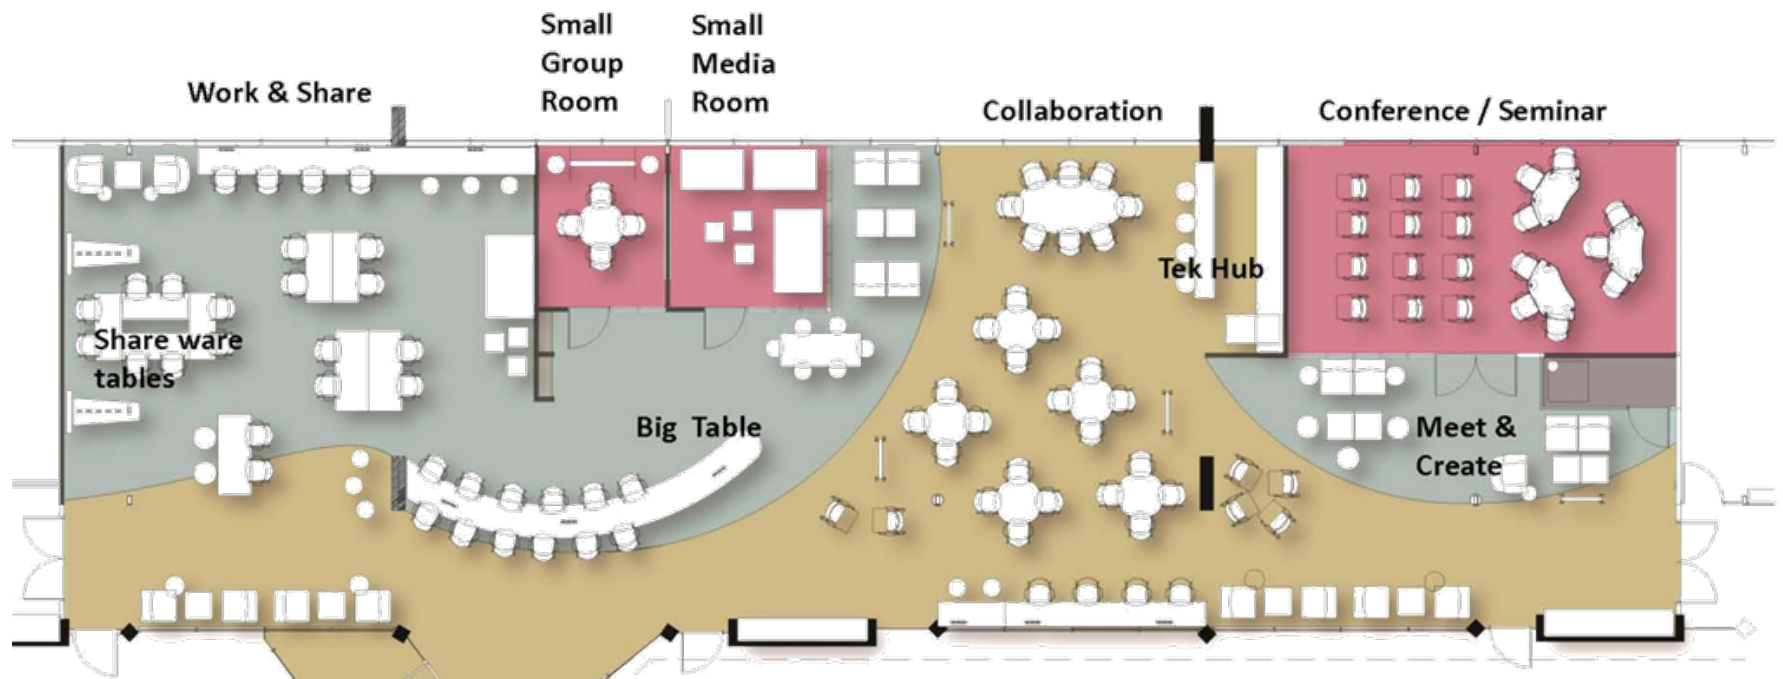

- ✓ Looking at student work to inform instruction
- ✓ Building even stronger local assessment tasks

Professional Development

- ✓ Inquiry
- ✓ Sharing work

Teaching and Learning Priorities

2. To explore ways to use time and configure space differently to provide students with even more opportunities to be collaborative and innovative.

Teaching and Learning Priorities

3. To research and take advantage of the best practices in teaching and learning that exist within and beyond Chappaqua.
